Georgia no longer handles Non-IVD cases. Federal Income Withholding Notices mailed directly to the Georgia DOL must include a one time, per person fee of \$52.00. GA Contact: Maria Battle @ (404) 232-3033; Georgia FEIN#: 58-6002009; Georgia Department of Labor; Special Programs Unit; 148 Andrew Young International Boulevard, Suite 900; Atlanta, GA 30303.

If the initiating agency wants full services, a Transmittal #1 must be submitted to Georgia with the required documents but the NCP must live in Georgia.

**Services which cannot be provided under IT3 include:**

**Administrative Enforcement (AEI/FIDM)** {IT3 may say “request for registration for limited service} (no active IV-D case in GA): Georgia no longer has the legal authority to take case actions on a Non-IVD case. Georgia would require a petition requesting the establishment and/or enforcement of an order. Note: If there is an active IVD case with the state requesting assistance, IT3 will be forwarded to the office assigned as these require legal actions.

**IT3 request for Service of Process for a legal action filed in an initiating agency:**

IT 3 will be returned to the sender with instructions for them to make arrangements through county Sheriffs office or private process server unless the initiating agency has provided proof of contacting the process of service provider in GA which will show they denied service to the initiating agency.
