Applicant Rights and Responsibilities

I understand and agree that:

Initial All:

_____ The Division of Child Support Services (DCSS) has the authority under federal and state law to take any legal action that is necessary to establish paternity and to establish, modify and/or enforce an obligation for child support including medical support. DCSS does not guarantee that efforts on my behalf will be successful as actions taken by DCSS may be subject to the discretion of the judge.

_____ If I should receive payments distributed to me in error (overpayments), I will be notified in writing to establish a Recoupment Repayment Installment Plan with DCSS. I understand that my failure to respond timely to the third and “Final Notice” from DCSS shall serve as my permission for DCSS to recoup payments from any future child support due to me and I will be subject to interception of my state income tax refund.

_____ If the person I named as the father of my child(ren) is excluded through paternity testing, I will be responsible for reimbursing DCSS for the cost of the test.

_____ I must submit myself and/or the child (ren) to genetic testing, as it relates to establishing paternity, if needed. Genetic test results will not be provided without prior written authorization to release such information.

_____ My case and current/arrears accounts will not be eligible for closure until all debts owed to the state, including fees and TANF arrears, are paid in full. If I fail to pay any fees and/or debts owed by me to DCSS I will be subject to interception of my state income tax refund.

_____ Overpayments of the support ordered amount will be applied first to the past due amounts and then may be held by DCSS for future payments.

_____ DCSS may use an attorney to establish, enforce and/or modify my child support order. There is no attorney-client relationship between me and the attorney, as the attorney represents the State. I understand that the attorney does not handle legal issues such as legitimation, custody or visitation; therefore, I must seek my own private attorney regarding these issues.

_____ DCSS has provided me with a HIPAA Notice of Privacy Practices. The notice includes an explanation of how medical information related to my application for services may be used by DCSS, as well as my right to have access to this medical information. I understand that DCSS will not share any information unless I provide a written authorization requesting information.

_____ DCSS will not release any confidential, personal information to any third parties without my prior written authorization to release such information.

_____ DCSS does not discriminate on the basis of race, color, national origin, sex, age, religion, political beliefs or disability. Should I have concerns about my case, I may file a formal complaint with the local office manager that will result in an internal management review.

_____ When applying for services as a payee, I must have legal or physical custody of a minor child. In the event that the custody of the child changes, the ordered child support may be redirected to the new custodian.

_____ I must notify DCSS of any changes to my name, address, phone number(s) or any other information that is needed to properly manage and/or enforce my case, including but not limited to, notifying DCSS that I have applied for Temporary Assistance For Needy Families (TANF) benefits. I understand that failure to keep information up to date may affect DCSS ability to distribute payments in a timely manner.
I must notify DCSS if I have an active child support case with any other state agency, private attorney or a private collection agency for the child (ren) listed on the application.

A $25.00 non-refundable application fee is required when applying for services unless the child(ren) or I receive Temporary Assistance for Needy Families (TANF) or Family Medical Assistance (Medicaid). The fee will be required if only the child(ren) receive Medicaid or I re-apply for services after requesting case closure or if my case is closed by DCSS due to my non-cooperation.

A $35 Annual Maintenance Fee will be charged to each case where an applicant has never received TANF and for whom the State has collected at least $550.00 of support.

Child support payments must be sent to the Family Support Registry and that I should not accept direct payments from the Noncustodial Parent (NCP). If I accept payments from the NCP DCSS may close my case for non-cooperation.

Upon written notification from DCSS, my case may be closed if I fail to cooperate. Prior to case closure, I must repay any outstanding debts, including fees and overpayments that are owed at the time and repay any expenses incurred on my behalf. If my case is closed due to severe non-cooperation, I will not be able to reopen my case or re-apply for services for a minimum period of six (6) months from the date my case was last closed.

If I request case closure during a legal proceeding to establish or enforce a support order and my case is eligible for closure, DCSS will not close my case until all legal actions have been completed and all fees/debts owed to the state are paid in full.

Federal law authorizes DCSS to charge an individual who has applied for child support services and who has never or is no longer receiving TANF assistance a fee for the offset of state and federal taxes. In the event that an offset is received, an administrative fee of $12.00 per state offset and $25.00 per federal offset may be assessed to my case.

I authorize DCSS to send correspondence electronically, including via email, text messages, and other methods. To ensure confidentiality of such correspondence, I understand that it is my responsibility to provide a secure and active email address and mobile phone number.

I may obtain my case and payment information by calling the Contact Center at 1-844-MYGADHS (1-844-694-2347 Toll Free) or I may view my case information on the Customer Service Online website at https://services.georgia.gov/dhr/cspp/do/Logon.

I have received and read all program information describing available services, fees, as well as my rights and responsibilities. I have the right to ask questions before I submit my application. My signature on this document authorizes the Division of Child Support Services to provide necessary and appropriate services on my behalf. I certify that all of the information supplied by me in my Portal application is true and correct to the best of my knowledge and belief. I understand the criminal penalties for making false statements and false swearing under O.C.G.A. §16-10-71 and do hereby attest to the truthfulness of the information provided.

Date: January 18, 2021

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION.

PLEASE REVIEW THIS NOTICE CAREFULLY.

The Department of Human Services (DHS) is an agency of the Executive Branch of Georgia government charged with the administration of numerous federal programs responsible for the storage, use and maintenance of medical and other confidential information. Federal and state laws establish strict requirements for these programs regarding the use and disclosure of confidential and protected information. DHS is required to comply with those laws as noted throughout this notice.

OBLIGATIONS OF THE DEPARTMENT OF HUMAN SERVICES:

DHS is required by law to:

- Maintain the privacy of your health information;
- Give you this notice of our legal duties and privacy practices regarding health information about you; and
- Follow the terms of our notice currently in effect.

HOW DHS MAY USE AND DISCLOSE HEALTH INFORMATION:

The following describes the ways DHS may use and disclose protected health information that identifies you (“Health Information”). Except for the purposes described below, DHS will use and disclose Health Information only with your written permission. You may revoke such permission at any time by writing to the Privacy Officer at the contact information below.

For Treatment. DHS may use and disclose Health Information for your treatment and to provide you with treatment-related health care services. For example, DHS may disclose Health Information to doctors, nurses, technicians, or other personnel who are involved in your medical care and need the information to provide you with medical care.

For Payment. DHS may use and disclose Health Information so that DHS or others may bill and receive payment related to your care, an insurance company, or a third party for the treatment and services you received. For example, DHS may provide your health plan information so that treatment may be paid for.

For Health Care Operations. DHS may use and disclose Health Information for health care operations purposes. These uses and disclosures are necessary to make sure that quality care is received and to operate, manage, and administer the functions of the agency. For example, DHS may use and disclose information to make sure the medical care you receive is of the highest
quality. DHS also may share information with other entities that have a relationship with you (for example, your health plan) for their health care operation activities.

Appointment Reminders, Treatment Alternatives and Health Related Benefits and Services. DHS may use and disclose Health Information to contact you to remind you of an appointment with a physician. DHS also may use and disclose Health Information to tell you about treatment alternatives or health-related benefits and services that may be of interest to you.

Individuals Involved in Your Care or Payment for Your Care. When appropriate, DHS may share Health Information with a person who is involved in your medical care or payment for your care, such as your family or a close friend. DHS also may notify your family about your location or general condition or disclose such information to an entity assisting in a disaster relief effort.

Research. Under certain circumstances, DHS may use and disclose Health Information for research. For example, a research project may involve comparing the health of patients who received one treatment to those who received another, for the same condition. Before DHS uses or discloses Health Information for research, the project will go through a special approval process. Even without special approval, DHS may permit researchers to look at records to help them identify patients who may be included in their research project or for other similar purposes, as long as they do not remove or take a copy of any Health Information.

SPECIAL SITUATIONS:

As Required by Law. DHS will disclose Health Information when required to do so by international, federal, state or local law.

To Avert a Serious Threat to Health or Safety. DHS may use and disclose Health Information when necessary to prevent a serious threat to your health and safety or the health and safety of the public or another person. Disclosures, however, will be made only to someone who may be able to help prevent the threat.

Business Associates. DHS may disclose Health Information to our business associates that perform functions on our behalf or provide us with services if the information is necessary for such functions or services. For example, DHS may utilize the services of a separate entity to perform information technology services. All DHS business associates are obligated to protect the privacy of your information and are not allowed to use or disclose any information other than as specified in our contract.

Organ and Tissue Donation. If you are an organ donor, DHS may use or release Health Information to organizations that handle organ procurement or other entities engaged in procurement, banking or transportation of organs, eyes or tissues to facilitate organ, eye or tissue donation and transplantation.

Military and Veterans. If you are a member of the armed forces, DHS may release Health Information as required by military command authorities. DHS also may release Health Information to the appropriate foreign military authority if you are a member of a foreign military.

Workers’ Compensation. DHS may release Health Information for workers’ compensation or similar programs. These programs provide benefits for work-related injuries or illness.

These activities generally include disclosures to prevent or control disease, injury or disability; report births and deaths; report child abuse or neglect; report reactions to medications or problems with products; notify people of recalls of products they may be using; a person who may have been exposed to a disease or may be at risk for contracting or spreading a disease or condition; and the appropriate government authority if it is believed a patient has been the victim of abuse, neglect or domestic violence. DHS will only make this disclosure if you agree or when required or authorized by law.

Health Oversight Activities. DHS may disclose Health Information to a health oversight agency for activities authorized by law. These oversight activities include, for example, audits, investigations, inspections, and licensure. These activities are necessary for the government to monitor the health care system, government programs, and compliance with civil rights laws.

Data Breach Notification Purposes. DHS may use or disclose your Health Information to provide legally required notices of unauthorized access to or disclosure of your Health Information.

Lawsuits and Disputes. If you are involved in a lawsuit or a dispute, DHS may disclose Health Information in response to a court or administrative order. DHS also may disclose Health Information in response to a subpoena, discovery request, or other lawful process by someone else involved in the dispute, but only if efforts have been made to tell you about the request or to obtain an order protecting the information requested.
